THE MARKET IN DETAIL (cont'd)

The momentous sea change within the Southern Georgian Bay market (and generally) continued into May. Although May's volume sales of \$161,679,577 were the month's second-best ever – mainly due to strong average price increases – they were down 32% from last year's record \$237,157,454. The year-to-date volume of \$915,236,419 – again the second-best ever – was down 11% from last year's record \$1,024,588,348. On the units side, this year's 873 were down 28% from last year's record 1211, and the fifth best ever. All that said, while May's average sale price of \$1,046,381 is up 24% from one year ago, it is down 2% from April's \$1,064,686 and 3% from Q1's \$1,077,755.
